## ASSISTANT COACH

Newbury District Swimming Club (NDSC) is a friendly competitive club with a squad membership of over 200. Currently our swimmers compete successfully at County, District and National level.

In order to further develop the club's potential we are seeking an enthusiastic coach to join our coaching team.

Ideally the successful applicant will have obtained level 3 club coach certificate (or equivalent), but a person working towards it will be considered if they can show that they have the required skills and experience. Assistance with coaching at all levels within the Club is required, as well as Land Training. Poolside hours will be approximately 6-8 hours per week as well as attending some meets and competitions at weekends.

The salary offered will be dependent upon qualifications, experience and the number of hours worked.
