ENTRIES

Competitors should register upon arrival. **No entry cards will be issued for this competition.**

Registration will be necessary for each session and if a swimmer registers then it is assumed they will compete in every event that they have entered in that session. Coaches/Swimmers must complete a withdrawal form for non competing swimmers and pass to registration desk. Late withdrawals will result in an empty lane.

All entries will be considered on a fastest time basis. In order that the event can run smoothly entries may be restricted, any entry not accepted due to a restriction on numbers being imposed will have the entry fee refunded in full.

Heats will be seeded in entry time order i.e. heat 1 for the slowest accepted entries. All heats will be in spearhead formation. The programme will allow for Newbury District SC swimmers.

FINALS

The 50m and 100m backstroke, breaststroke, butterfly and freestyle events will have finals. All individual medley events will be heat declared winner (HDW).

AWARDS

The first three swimmers in every event in each age group will receive medals. Swimmers placed 4th 5th and 6th will receive certificates. There will be awards made to the top male and female swimmer and a trophy will be awarded to the highest scoring club based upon points accumulated in finals and the first six places in HDW events.

Swimmers exceeding the 'not faster than' time in heats will receive speeding tickets and will not qualify for finals. Swimmers exceeding the 'not faster than' time in finals or HDW events will also receive speeding tickets and will be excluded from the final medal positions. Speeding ticket swims will not contribute towards a swimmer's or club's point score.

PRESENTATIONS

Presentations will be made at the end of the meet for the Top Girl, Top Boy and the Top Club. Medals and certificates should be collected during the meet from the medals table in the learner pool area.

WARM UP

The warm up will end 5 minutes before the start of each session. Competitors in the first two events of each session must report to the competitor's steward 5 minutes before the scheduled start time.

REPORTING FOR EVENTS

Competitors must report to the steward at the learner pool area two clear events before their swim.
