Newbury District Swimming Club - Entry Form

Age Groups

Group A = 10 & under, Group B = 11/12, Group C = 13/14
Group D = 15/16 Group E = 17/20 Group F = 21+ (Masters)

Age as at **31st December 2011**

Note: It is **mandatory** for all Challengers, Club, A & B Squads to enter all events, who should regard it as a “Separated Medley” and it will be age grouped as above. Masters enter as group F (21 and over).

Only sprinters and cruisers swim as novices and can be selective on the events they wish to enter, (via a separate form) although it is encouraged they approach the meet in a similar way if the swimmer and their coach believe that they are able to.

Entries can be submitted to your squad rep or directly to the Meet Manager:

Email: neville@glanvilleweb.co.uk

Please adhere to the closing date, as I will need some time to enter the entries into the system software.

NOTE: This meet is the first element of the annual Club Championships and results count towards the Sprint trophies. The winners of these trophies are calculated on aggregate over all four events.

Please fill in ALL boxes and hand in to your squad representative or Meet Manager.
